

## Instructions for the Exam

- **Deadline 1:** December 23rd for exam in the winter session (January 8th and 27th)
- **Deadline 2:** May 6th for exam in the summer session

There are 3 different versions of the exam. The groups are 11 (you can find in the file “Groups.pdf” the composition and the identification number of the group). Each group will have to do a single version.

In particular:

- **Version A:** group 1, group 2, group 3 and group 4
- **Version B:** group 5, group 6, group 7 and group 8
- **Version C:** group 9, group 10, group 11

You must send me via email all the matlab codes and a report of 10-15 pages (maximum) in which you discuss your results with the help of tables and plots.
